Atlas du Paris antique : Lutèce, naissance d'une ville

Parigramme, France. Hardcover. 175 pages. ISBN 9782373950427. In French. 2019.

In La Guerre des Gaules, César mentions for the first time Lutèce, a Gallic stronghold that its inhabitants preferred to burn down rather than deliver it to the Roman conqueror. Abandoned in the middle of the 11th century, it then migrated to the Île de la Cité, destroying the monuments on the left bank if necessary to recover the materials. The vestiges of these successive occupations - including eccentric, as in Montmartre - did not fail to strike the erudite minds from the Middle Ages or the Renaissance but it is mainly from the great Haussmann works that the ancient city was rediscovered. Many excavations have been carried out since, which specify the contours and the organization of the disappeared city. Covered by all ages of the city, the Gallo-Roman Lutetia however guides its development over the long term.

20-07-009 | \$15.00 | [PURCHASE](#)

Trade, Popular and Reference Maps and Atlases

Featured Publisher: Beartooth Publishing

Founded in 1995, Beartooth Publishing's mission has always been to make some of the world's best maps. They specialize in creating visually appealing and highly functional maps for hiking, biking, and other outdoor adventures. The Beartooth Publishing team utilizes a unique "on the ground" method to create their maps. This includes frequent visits to their area of interest via car, biking and hiking the terrain and quality checks with local organizations and businesses to ensure up to date accuracy. This methodology has been very successful and led to multiple international awards for Beartooth's cartographic productions. All of Beartooth Publishing's maps are printed on waterproof, tear-resistant media.

20-07-011 | \$13.95 | [PURCHASE](#)

Wind River Range : Wyoming : outdoor recreation map : topographic shaded relief

ISBN: 9781887460156. 2020. In English. 1 sheet.

One of the most famous mountain ranges in the United States, the Winds often defy reason with their beauty. For decades this range has been a destination for backpackers and rock climbers from around the world. And even for car campers, you can't go wrong with the Winds; the photo above was taken from next to the Green River Lakes Campground.

This map covers the towns of Lander, Pinedale, and Dubois, and the Bridger, Fitzpatrick, and Popo Agie Wilderness Areas. All trailheads and access roads are shown to get your trip started.
